

Aledo Independent School District

GRADES 6-12 DISTANCE LEARNING

School Name	Aledo Middle School
Grade Level	8th Grade
Week of	April 27, 2020 *All assigned work due by Sunday at midnight*

Mathematics

Estimated Time to Complete: 2 hours

Resources Needed:

Teacher's Google Classroom, BoomCard Account: <https://wow.boomlearning.com/signin/student>,
Click [here](#) for the slides for the week

Lesson Delivery (What do we want you to learn?):

Review Integer rules of addition, subtraction, multiplication, division and PEMDAS

Engage and Practice (What do we want you to do?):

- Watch the brain pop video on adding and subtracting integers and complete the quiz. Work the extra practice in your journal (link on slide) and check your work with the key (link on slide). If you are having trouble contact your teacher
- Watch the Khan Academy video on multiplying and dividing integers and work the extra practice (link on slide) and check your work with the key. If you are having any trouble contact your teacher,

Create and Submit (What do we want you to turn in?):

- **(40 Points)** Create a Thinking Map either in Google Slides or in your journal. Attach either the slide or a picture of Thinking Map with to the assignment in Google Classroom and hit submit
- **(60 Points)** Click on the Quiz assignment in Google Classroom and follow the link. You may take the Quiz more than once. We will take your best grade

Optional Extension Opportunity (What do we want you to do if you want to extend your learning?):

8th Grade Challenge Board, click [here](#)
