Google slide deck of resources - [Link](#)

Lesson Delivery (What do we want you to learn?):

Students will describe components of the universe, including stars, nebulae, and galaxies.

Engage and Practice (What do we want you to do?):

1. Using your device, login to google using your Aledo ISD credentials.
2. Click on [Google Classroom](#).
3. Click on the Distance Learning Week 6 Assignment and progress through using the directions.

Create and Submit (What do we want you to turn in?):

- Turn into google classroom the "Distance Learning Week 7 turn in document".
- Go to the Quizizz assignment for week 7 and complete the quizizz for a grade.

Optional Extension Opportunity (What do we want you to do if you want to extend your learning?):

If you have extra time, here are some other activities or resources to check out.

Look on the calendar for meteor showers
